#### **NOTICE OF CONFIDENTIAL AWARD**

#### **\$1.85 Million Settlement in Philadelphia Birth Trauma Case.**

This matter handled by John W. Baldante, Esquire involved a baby boy who was not timely delivered during labor despite the fact that the fetal heart monitor revealed prolonged and persistent late decelerations and poor beat-to-beat variability of the baby's heart rate. The physician's failure to promptly deliver this baby via cesarean section caused the child to suffer a loss of oxygen and consequential brain damage.

With offices in Philadelphia and New Jersey, Levy Angstreich Finney Baldante Rubenstein & Coren has earned a national reputation in the representation of severely injured individuals, complex commercial litigation, and trial of class action cases in courts throughout the country.
